Bylaws Passed

By a vote of 56 to 2, the amendments to the Society's bylaws were passed by the general membership. The vote results were approved by the Trustees at their most recent meeting. A number of procedural changes will go into effect now, including requirements around creation and acceptance of a budget, changes to voting procedures, and duties of officers and trustees.

Election Results

Jim Martin was re-elected President, and Helen Gaehle was re-elected to her position as a Trustee. Kelley Woerther was elected as our new Secretary. Officers serve two-year terms and trustees serve three-year terms.

"New Coop" Planning Meeting!

With a number of options available, the Society is seeking input from its members and interested community neighbors on the best way to create a larger and more functional meeting space. A meeting is planned for Sunday, October 9th, at 2:00 p.m. at the museum property at 18750 Highway 100, the "Hencken Place". All are welcome. If you have ideas or concerns, and you cannot make this meeting, please send those suggestions to: Martha Bunch, our museum director, at 636-458-2478 (martha.j.bunch@gmail.com) or to the WHS at P.O. Box 125, Grover, MO 63040. We hope to begin construction in the early part of 2012, so proper planning is critical now!

Parking Lot Ready to Use

Our new 25-car parking lot is finished! A big round of applause to Tom and Matthew Kelpé for doing all of the grading, compacting, and general management of the project and also a big thank you to Bussen Quarries for its donation of the rock. We only had to pay for the hauling. This lot is accessible from our entrance on Highway 100 and then exits onto Stovall Lane. This lot will be closed off outside of meetings or other special events to prevent traffic from going the "wrong way" from the end of Stovall Lane onto our property.

for all our
upcoming events!*

Donation from Fossett Foundation

We are pleased to announce the receipt of a \$50,000 donation from the Fossett Foundation to be used for purchasing computer equipment and to help with building an addition that will house a larger meeting space since our chicken coop is getting a little crowded! The notification we received from Mrs. Fossett indicated that we would receive a matching amount in January of 2012 to be used for this same purpose. THANK YOU!

Fall Meeting of the Historical Societies of St. Louis County: Sunday, November 13th, at 2:00 pm

Esley Hamilton, St. Louis County Historian, coordinates semi-annual group meetings of all of the historical societies in St. Louis County. Our WHS was chosen to host this fall's event at our museum property on Sunday, Nov. 13th. These meetings give an opportunity for those attending to learn what other groups are doing, to share resources that have been discovered, and to visit local historic properties. If you would like to help with this afternoon event, please contact Martha Bunch at 636-458-2478. All society members and others interested in local/county history are more than welcome to attend. The meeting will conclude around 4:30 p.m.
